The City of Chandler Logo

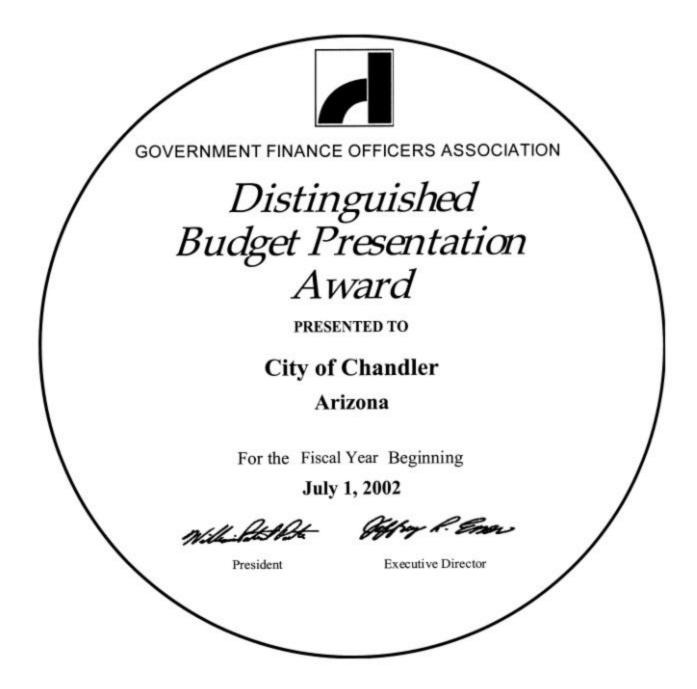

The City's logo is a thoughtful representation of the community - combining Chandler's rich agricultural heritage with today's high-tech industrial base. The overall capital "C" design incorporates the City's past through agricultural fields at its bottom. The City's promising future is detailed with the outline of high technology buildings set against a backdrop of San Tan Mountains. The City incorporated the phrase, "Chandler, Arizona, Where Values Make the Difference," just below the logo to emphasize its commitment to the citizens of the community.

The Government Finance Officers Association of the United States and Canada (G.F.O.A.) presented an award of Distinguished Budget Presentation to the City of Chandler for its annual budget for the fiscal year beginning July 1, 2002.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan and as a communication device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to G.F.O.A. to determine its eligibility for another award.
